

Questions & Answers

Q. *How can I determine what plan is best for me?*

- A. There are several options in today's market. They range from a very low deductible or a very high deductible. There are several different co-pay options also along with presentations drug choices and many choices in between.

Q. *How much do I have to pay for my employees?*

- A. The law has been finalized in this area. Employers must pay a 33% minimum contribution for a single employee.

Q. *What is a Section 125 Cafeteria plan? How can it help?*

- A. A Section 125 allows employees to pay for health insurance on a pre-tax basis and is not subject to state and federal FICA withholding taxes.

A Section 125 plan can benefit both the employer and employee, since they both will have lower payroll-related taxes.

Q. *Why should I use a broker?*

- A. Brokers have to be licensed by the state to sell health insurance plans. Brokers can save time. For example, based on the needs of the employer/employees a broker can easily explain the options that will best fit the group, also brokers will be able to enroll fast and convenient. Most of the time online.

Massachusetts
Chamber of Commerce

The Mass Chamber, on average, focuses 90% our efforts on advocacy alone so local chambers can remain focused on local initiatives, but still be active and in tune with statewide politics.

Where local Chambers create a unified voice for business within their communities, the Mass Chamber looks to unify all of those voices, giving business a voice in every legislative level across the Commonwealth.

The Mass Chamber's goal is to be a resource to Chambers and businesses alike, by doing the research on pending laws, sharing updates on key initiatives, hosting key networking and training events while providing lobbying and legislative representation.
